

13th Annual Mark O'Meara Golf Classic

Presented By
Men of Holy Family

To Benefit
Holy Family Community Youth Center

Recognizing the need for a “safe haven” for our youth, the Men of Holy Family have embarked on a mission to furnish and equip a state-of-the-art “Community Youth Center” on the Holy Family Campus. All proceeds from the 13th Annual Mark O'Meara Golf Classic will go toward the Youth Center Fund. The Youth Center will draw youth of our parish and the surrounding community into structured programs, activities and events provided in a chaperoned religious environment. The facility is planned to include a computer lab, musical instruments, library, games, etc.

Proceeds from the 13th Annual Mark O'Meara Golf Classic have been committed for the development, design and build out of our community **Youth Center**.

Tournament Committee

It has been our pleasure to be able to participate in this event and to provide support. We, like you, “**Believe**” in our teenagers and the Men of Holy Family’s dedication to them. Our goal is to supply our teens with a “**Safe Haven**” which will bring them together in wholesome activities.

I am very excited about this endeavor for our youth and I urge you to participate in the Golf Classic as a sponsor or golfer and become a part of making the Youth Center a reality.

Fr. William Ennis -Pastor
